

NYAL'S CORN CURE.

If you are tired of messing and musing with corn salves, awkward and cumbersome bandages for a place where no bandage can be comfortably applied, try

NYAL'S CORN REMOVER

Then you won't have to wrap up the toe, for this remedy, itself, forms a coating over the corn and goes after it without causing any pain or inconvenience.

It is one of our most popular NYAL Remedies, and, like all NYAL Preparations, it brings results.

—In all ages the eating of fruit has been recognized as an aid to health. Some of the more advanced dieticians advocate the use of fruit and nuts exclusively. The more reasonable plan, however, seems to be to eat "plenty of fruit," and that is the way Dr. Harvey W. Wiley, the famed pure food expert, puts it. He believes that everyone should eat fruit—say oranges or apples, and they cost about the same—every day.

OPEN CAMPAIGN.

John N. Willys has returned to Toledo and will take active charge of the campaign for the election of himself and E. D. Libbey as Taft delegates.

At the same time it was announced that Mr. Libbey would return to the city at the earliest possible moment to co-operate with Mr. Willys to the same end.

"I entered this contest," said Mr. Willys this morning, "at the earnest solicitation of President Taft. I am not a politician, or versed in the ways of the politician. I am not in the race to serve the selfish end of any organization or to gratify my own pride, but because I believe in William H. Taft. I believe that the personal compliment paid to Mr. Libbey and myself by Mr. Taft and by his supporters in this district, also involves a personal responsibility. Therefore I am prepared to set aside the demands of my business for the moment and labor for the principles involved in our joint candidacy."

"I want the help of every friend of the administration and every personal friend I may have in the district. I want to meet as many of them as I can; and I intend to fight as intelligently and as hard as I know how."

"President Taft has honored me of late with several conferences; and I want to say that if the people of Toledo knew him as he has been revealed to me—a great, big, generous, patient statesman, incapable of deception, whose heart is filled to the brim with love of humanity—the outcome of the primaries on May 21st would only be a question of majorities for the Taft ticket in the Ninth district."
